Principal's Report

Cara

Lots going on at the end of the year. The young ones are having lots of emotions. Lots of sleep is encouraged and calming. Sometimes kids get anxious and nervous about the upcoming year. Patience is important and understanding to others. Everyone is doing their best remembering the events and keeping everything together is a lot for everyone. Also, during this summer, the district is doing the handicap ramp and resurfacing of the black top. They are looking at a bigger ball wal and redoing the basketball hoops and removing the old structure and a new structure in. Possibly some new bark too. She is not sure when they are breaking ground but she will send it out in an email before the school year ends since it will close off the playground for a while.

Teacher Report

Joyce Mucher

Thank you very much for the week of pampering. Everyone thanks you a lot and loved the pampering. Lots of goodies and snacks to help get them through the year. She thanks PTC for the teacher college they helped fund for her to go to. Teachers would like to be on the PTC email list but teachers have to accept it to receive them. Starstruck is a crazy time of year for it, but the kids and teachers enjoy this time because the kids are having a hard time staying to the structure so this helps change it up for them and give them something to look forward to.

- 9:30 Treasurer's Report** **Tiffany**
 Current year budget healthy and will roll over to next year. We had great success with fundraisers this year. So proud of support from Penryn Community!
- 9:32 President's Report** **Devin**
 73 teams and 900 relay runners. The 5k numbers are not solidified yet as people are still signing up. 50% goes to those running and 50% goes to the schools split evenly. We will get our check next week presented to us. LBEF is looking for new board members and open to everyone. It is at the district office on May 17th. 5th and 8th grade across the district is full. 50% of classes are full. Denied 60 inter-district transfer and a couple dozen intra-district transfer. The impression of our school has changed within the district with our website, app, our increased earnings, and family support.
- 9:35 2016-2017 Budget** **Devin/Tiffany**
 We can really add a lot this year because of the amazing, wonderful funds we have raised. We are creating a field trip fund. \$250 towards each class towards field trips. We are trying for 1-2 field trips per year per class. Field trips have to take busses. We want to help parents and teachers. PTC is taking the funds from the restaurant fundraisers every month and putting this in the field trip for the school. Mooyah was our best fundraiser last year. We are going to try and do one every month next year. Ideas: Panda express, subway, panera, jimboys, Chipolte, Dickeys, Jersey Subs, Mooyah, BEDDA pizza, Studio movie grill, MOD pizza, Loomis Basin brewery. Idea: backing up a dinner night before and after Starstruck. We will be giving teachers more money. We gave each teacher \$200 last year and now we will give \$250 next year. We also have a \$1000 extra fund incase teacher need it for it for projects. May 23rd is the BMX assembly. They are going to set up on the blacktop. We are going to work on more assemblies for next year. We are open to ideas for this for next year. Ideas: Music man, mobile zoo, Recycle companies, etc. Please let Devin know of your ideas. Extreme gym potentially a rethink on it? Mrs. Mucher likes it because it's close and good for k-1 and their attention span. Having the three classes go maximizes the amount of students for the costs. Extreme gym is really good for the kindergarten's motor skills and development. Field trip ideas: Sierra College, Mondavi center, Raleys, Cookie place \$50 towards teacher events for Buckaroo. Teachers get the money raised from this. Mrs. Mucher idea for this: instead having this do an elective after school program. Decided: to keep the buckaroo events and Mrs. Mucher to do the elective separately. \$50 towards class project for the Buckaroo project for room moms Art teacher's budget is increased. Amazing feedback on this program. Art Docent which is more art history is looking for more supplies. Supplies go through quickly. Good idea on teacher appreciation week to give teacher supplies they need.
- 9:45 New Business** **Devin**
 a.) Restaurant Fundraiser Ideas
 PTC is taking the funds from the restaurant fundraisers every night and putting this in the field trip for the school. Mooyah was our best fundraiser last year. We are going to try and do one every month next year. Ideas: Panda express, subway, panera, jimboys, Chipolte, Dickeys, Jersey Subs, Mooyah, BEDDA pizza, Studio

movie grill, MOD pizza, Loomis Basin brewery. Idea: backing up a dinner night before and after Starstruck.

b.)Box of Supplies

Pricing is lower than shopping yourself. We get bulk pricing. We get the brand the teachers want too. You can give us a description for special colors, etc. Also, you don't have to shop or spend gas money to go out and do it. It does include a \$5 donation to PTCt.

c.)Back to School BBQ

We will have an RSVP and we had random people show up. We ended up running out of food. We need to know how many people from our community are coming. We have a contact that will do wholesale meat and will BBQ it for us. Hamburgers, turkey burgers and hot dogs. They will make it and have it set out and ready to go. We will have attendants who will man the water slides.

d.)Coordinators needed

For field trips. It is confidential if someone needs help with the funds because of a hardship please let teachers know.

Need someone to take it over and be the team coordinator for Go the Distance next year.

Room mom is an open position. Teacher will put it out each year and two moms can help each other if need be. Each teacher different does it differently.

e.)Membership

Sign up by June 1st for PTC and you will be entered into a \$50 Target gift card.
