Principal's report:

Mrs. Alfonso

- New language arts curriculum K-5 will be on the board agenda for this Thursday.
- Big awards event on Thursday for some students of the district.
- Family night about technology at HCP to help inform parents is on March 21st.
- 3-8 grade CASP testing is rolling out soon. It's one measure of the kids and understanding where they are doing well and need help with. It's a great way to collect overall data of how their learning is progressing. Two days of math, two days of language arts, and two days of performance task tests (a real life scenario to be applied) . April-May time frame this will happen. Calendar will come out soon. Good time for good sleep and good breakfast for the kids.
- We are trying to get 2-3 teachers to go to teacher's college this summer. Waiting for the school board to approve it.
- There is a challenge with Penryn and the culture with staff who have been here for a while and the new staff coming in. Trying to keep that culture as we lose some of these teachers to retirement and gain new teachers and educate the new staff that moves in. Mrs. Lockwood will be retiring this year.
- Mrs. Alfonso is putting it out to the staff for halloween costumes to be potentially worn at school.

Teacher's report:

Mrs. Mucher

- Mrs. Mucher didn't have anything to report and was not in attendance but Mrs. Alfonso represented for the teachers.

President's report:

Devin

- February and March not having PTC president's meetings. January meeting didn't have anything to report.

- All items need to be moved from the workroom to the PTC room. Devin will be here(3/9) from 1130 until school gets out if anyone is up to helping move the items she would appreciate it.
- New moisture wick sport socks are universal sex and have different sizes to be offered through Penryn PTC for around \$15 a pair. They are awesome and show great school pride for the kids to wear. Black and red and white and red with Penryn on the back.

Treasurer's report

Devin/Mary

- Budget looks good. We have 5k- 7500 we are holding on from all our events above and beyond that are sitting and waiting in a good way for something that can give back to our school.\
- Ideas for this extra money to use at our school: blackout curtains for the multipurpose room, portable AC unit, teacher development (teacher college), field trips, stand up desks, balance stools, etc. Please let us know your ideas.

New Business:

Devin

- Staff Appreciation: last year we did a staff item and the students did one thing. Last years ideas were (coffee bar, teacher favorite colors, teachers appreciation station with letters, Cinco De Mayo lunch, dessert bar, and teacher's favorite treat, and teacher's favorite flowers) Jamba juice, happy hour for teachers with the first round paid by PTC. Room mom's will still need to decorate the classroom door and coordinate daily school contributions.

Monday: Jamba Juice; wear favorite color of your teacher

Tuesday: Lunch provided; bring teachers favorite treat

Wednesday: Appreciation station and district coffee truck

Thursday: PTC hosted happy hour at LBB; bring a school supply

Friday: Dessert bar and bring a flower for your teacher

- Mother/son event: Lincoln fishery (\$15 a person) or bowling (\$10 a person) seem to be the most practical financially items. Event potentially on May 7th.
- Bylaws: We updated the bylaws. Terms for member down to 1 year and forms of communicating were the main items that were updated.
- 2017/18 Board: Devin would like to continue as president for at least 1 more year. Volunteers have stepped up for the remaining board positions. We

have coordinator positions available--only in charge of one event! A PTC Family membership is included with the position. We really need a strong PTC to help back our small school. This is a very important part of our school. Please help and step up and be a part of it. It's very fun and a huge impact on your kids. More info will be sent out next week with details.
