Attended district PTC President's meeting last week. Reps from Go The Distance were there—gave Penryn check for last year and asked for each school to provide rep. 5/13-5/14 are dates for 2016 GTD. Color Run does not benefit Penryn—need to create more teams to represent Penryn in 24-hour relay. Manda Run is 11/22. Technology: all tech released has to have training prior to release. New technology for this year will be provided by Jan 1st. Treasurer training with CPA and district Finance Director at next meeting. Law has passed that allows alcohol on school campuses but LUSD board has not approved yet, if at all. This would be at adult only events.
