9:56	Welcome	Devin
	<i>Meeting begin late as Coffee with Cara ran overtime due to overview of 2014/15 school year</i>	
9:56	Old business and approval of last meeting's minutes	Devin
	<i>Cheryl seconds and approved the meeting notes</i>	
9:56	Introduction of New Board	Devin
10:00	Review Mother/Son Picnic, Staff Appreciation, GTD—any changes?	Devin/Cheryl
	<i>Mother son picnic had good response. Everyone loved the scavenger hunt. Thinking of inter-changing this with something else because of all the work that was involved. Maybe bowling/mini golf every other year and the picnic every other year. Will look into pricing for these.</i>	
	<i>Staff appreciation: staff appreciates what everyone does. Maybe something every day was too much was a concern from some of the staff. They are just being conscious of \$\$\$ and everyone's time. The love and appreciate it all but if PTC needs to cut back they understand. PTC loves doing it and for one week they can do that. Change root beer floats to Monday for the staff meeting. Idea to look at getting rid of the lunch of lorenzos and making it ourselves to save \$\$\$. Maybe do a pot luck luncheon instead</i>	
	<i>Go the distance: need to work on getting teams sooner—will be gathering in March. Cheryl is going to spear head this and get more teams together. Penryn participation was low this year because we lost Julie Trokey who organized it all. Cara will lead the staff team and student team next year. For the student team: there has to be parents, food table, and rally. Need 24 hour support to push kids to sleep and structure the event—have 1 hr parent volunteers. Organization needed. A little upset that \$ for the 5k color run not going to our school—Devin is clarifying this at next PTC President's meeting. It took away from our Go the Distance teams and money our school makes. We need to communicate this more with our school. Maybe we send our own flyer home with the Go the Distance flyer. We will make it very clear for our school how it works next year. Also, to let the 6th graders know of what is to come. Will also offer student sponsorship option on website.</i>

10:25	<p>President's Report—Review of district PTC President's meeting</p> <p><i>Last district presidents meeting they went over the math program and what was approved. Teacher training and subs were talked about. Math program to be gone over this evening at HCP. They are working on parent training nights. District to send out info. They would like to implement Spanish programs into all of the schools in the district. They are still deciding on options: start with 7-8 grade and then it will go down in grades, or start k-2 and then each year implement or just do k-8. No matter what schools will have Spanish programs in the next few years. The only school they are not thinking of is Ophir since they have ASL program. This will be district funded. LBEF will continue at \$5,000. They may expand it to \$7500. Also, looking at having it be used in anyway vs just technology. LBEF board to work with the same calendar as the school. They will be hosting the August chamber mixer. LCAP going to bring results to the board on May 28th, they will be adopting them in June and then implementing next year. Penryn was well represented in the survey.</i></p>	Devin
10:30	<p>Principal's Report</p> <p><i>ExplorIt science center does a good job and may be a good option for PTC to look at something they want to bring in next year. Tonight Round Table Pizza for leadership. Math meeting tonight for the district. Spanish coming to the district and school. The costs of these programs are enormous. This will narrow down the enrichment programs in the school. Charter does this but has an extra hour of school every day. There are many types of programs they can offer to incorporate it. The program needs to be affective and work since the costs are so high. An ultimate goal of what we want from it and want the students to learn. She asks to go to the board meeting so you can understand what is going on with this. Really learn and know what happens when it takes place.</i></p>	Cara
10:40	<p>Teacher's Report</p> <p><i>Buckaroo luncheon is scheduled for 5/22, invitations went out 5/12. Cheryl is picking up the food and getting it to Room 8, everything else is taken care of by the teachers.</i></p>	Joyce Mucher
10:45	<p>Treasurer's Report</p> <p><i>Handed out copy of current budget</i></p>	Tiffany
10:47	<p>New Business</p> <p>A. PTC website/store <i>Site is up and running. Cost is \$11 per month to maintain. Transaction fees are included with each item. "About Us" on site was updated with what items PTC sponsors throughout the year</i></p> <p>B. Open House <i>Open House is 5/21, 4:30 set up. We will have a membership table with a gift</i></p>	Devin/Jessika

	<p><i>card drawing for anyone that signs up on the site or at Open House/Starstruck</i></p> <p>C. Starstruck <i>Starstruck is 5/28, need to arrive by 5:30. We will have a membership table. PTC pays for this event!</i></p> <p>D. Field Day <i>Field Day is 6/2. Volunteers need to plan on being there from 8:30-1:00, we need 2 volunteers per class. Chrissy Alexander will help with making hot dogs starting at 11:00. Have room moms ask for volunteers and request kids bring change of clothes. Make sure Ms. Connolly give parents parameters on what to help with.</i></p> <p>E. Box of Supplies <i>PTC will be running this fundraiser this year. Teachers need to get us supply lists and please be specific. We will mention this at the open house.</i></p> <p>F. Board insurance--Pending approval <i>Board Insurance - \$647 per year, we need this and should have always had it. Devin ask the LUSD to see if there is a plan we can piggyback onto, if not we will purchase ourselves.</i></p> <p>G. Wake Island fundraiser <i>Get the word out, \$10 for each ticket sold goes to PTC. Price is \$25 per 2 hour pass.</i></p>	
11:15	<p>Follow-up on any items; questions or concerns</p> <p><i>Other food ideas for PTC events beside hotdogs? Nachos, Little Ceasars \$5 pizza</i></p>	Devin
11:22	Adjournment	Jessika
