Dear Penryn Parents:

We hope everyone has had a great start to 2018. The second half of the school year brings on new and exciting events. One of our annual events, Penryn Buckaroo and biggest fundraisers by far, is fast approaching on Friday, March 16th at the Blue Goose in downtown Loomis. We have assembled a great team of parents who help pull together this amazing event. As we know teams are great, but communities are stronger. This is why we are reaching out to the Penryn Elementary Community.

In order to make the Buckaroo a fundraising success, we need an amazing Silent and Live Auction. Of course, our team can reach out to local vendors, but we believe our Penryn Community is well connected and all it takes is for you read some of the following questions and see where you can contribute and make your mark on this event.

- Do I own a business that has a product or service?
- Does my employer or anyone of the employers in my family have a product or service?
- Do any of my Facebook and Instagram Friends have something to offer?
- Do I have any contacts at other schools that could offer a product or service?
- Do I have a hobby or special interest that puts me in contact with certain groups that might have products or services to donate?

We just wanted to get you thinking, and hopefully we sparked you to respond, or promoted you to send a note to someone you know that can help. Feel free to email us with any ideas. We do know that asking for things can be out of some people's comfort zones, so if you can make the connection with us, we can contact them directly. Our team is dedicated to growing this piece of the Buckaroo Event. Thank you for your time and we look forward to strengthening our community together.

Sincerely,

The Buckaroo Donation team & Penryn Parents:
