8:32	<p><b>EVENTS</b></p> <p><b>Fun Run Recap:</b> Event netted \$10,458. Using 99 Pledges site takes 10% of total donations. Simplifying snacks and how they were distributed was a success. The use of scanners to tally laps failed. Scanners did not work properly, will go to marking on lanyards next year. Suggested to have tally people wear something distinguishable so littles can easily find. Also, changing part of the course due to safety. Discussed keeping 8th graders as encouragement on the course while the littles/kinders run. Set clear expectations for that next year.</p> <p>Side discussion: Community service opportunities for 8th graders. Who would manage? Parent would need to volunteer to manage and partner with leadership teacher. Students already volunteer with Haunted House and homecoming float.</p> <p><b>Fall Festival Recap:</b> Messy's Tacos ran behind. Parade ran on time. Chili table was a success just having someone manage instead of serve. 6th grade caramel apple station was successful and raised \$447.00.</p> <p>Leadership Mixed Bag Fundraiser: orders due 11/16/18.
